

MEMO FOR: R.R.B.

FROM : J.E.K.

We already have four firm acceptances and one very probable one for the next university presidents visit, which is scheduled for 15 February 1979, to wit:

Richard Cyert, Carnegie-Mellon
George Low, Rensselaer Politechnic Institute
Rev. Theodore Hesburgh, Notre Dame
Frederick Davison, University of Georgia
Jean Mayer, Tufts University (the probable)

Meantime, we have been receiving FOIA requests regarding the three presidents visits held to date -- from the Center for National Security Studies and from The Michigan Daily (student newspaper published in Ann Arbor). Turner advised the four presidents who were with us last week of this in the thank-you letters he signed yesterday and, on his instructions, I have written letters to the participants in the two earlier meetings. I also called Peter Magrath, President of the University of Minnesota, who was the only one of the earlier groups who expressed any misgivings about publicity. We are telling all the presidents we are now inviting just what we told the earlier ones: we are not seeking publicity but may not be able to withhold their identities if we are confronted with requests under the FOIA. Further, we will not dissemble if we are asked: "Was X present?"
